N ORDINANCE TO AUTHORIZE ownship of Bloomfield, in the County of Fases, sof the opinion that the public good demands hat saystem of sewers and drains be constructed in and for said township under the provision sentitled "An Act to Provide for Drain-Seeinge in Densely Populated Town-which there is a Public water Supply," o March 4th 1884, and the several supents and amendments thereto: and,

rivilege and right to connect the sewers and rains of such township with those of said city of Orange in such manner that the sewage and drainage of such township shall flow into and through the sewer or sewers of said city;

THEREFORE BE IT ORDAINED by the Township County of Essex, that the said Township Com mittee of the Township of Bloomfield outer into and make a contract or agreement in writing in behalf of "The Inhabitants of the Township of loomfield, in the County of Essex," with the city of Orange aforesaid, for the right and privilege foresaid, which contract shall be as follows: THIS AGRESSMENT, made this between the city of Orange and the Inhabitants

of the Township of Bioomfield, in the County of WHEREAS. The parties hereto contemplate the ptroduction into their respective municipalities a System of sewerage, and are satisfied that it is for their mutual interests to unite in the construction of a main sewer, herein called the main outlet sewer, which shall receive the sewage of the respective systems, at a point or points of junction hereafter to be determined upon, and carried to the Passaic River, according to a plan which is now being devised by the city of Orange, it is agreed therefore: . That the course and outlet of such sewer. its manuer of construction, the material of which it shall be built, and its grade, shall be determined by the city of Orange or its engineer and agents in charge of the work.

2. That the Township of Bloomfield may run its main sewer into said sewer, at such point or points as may be designated by the engineers of

the city of Orange and of said township in such manner as they shall determine. 3. That the sewer below the point or points of junction herein called the main outlet sewer shall be constructed and maintained by and deemed the sole property of the city of Orange, but the Township of Bloomfield shall be entitled to the unobstructed use thereof, subject only to the restrictions herein specified and such other restrictions as the city of Orange may find it necessary to impose upon its own use of said t. It shall be the Whity of the Township of U. Bloomfield, within twenty days after notifica tion to that effect by the engineer of the city of Orange, to notify him of the capacity of the sewer or sewers to be constructed by it at the

point or points of junction with the main outlet sewer, to the end that the city of Orange may provide a main outlet sewer of sufficient capaci ty to discharge the sewage of said township and its own. And the Township of Bloomfield shall be entitled to such use of the sewer below the point or points of junction as will enable it o discharge, effectually, through the main outlet sewer, all sewage which a sewer of the capacity indicated by it as above provided is capable of discharging. sewer shall be of 2a capacity to discharge for the benefit of the inhabitants of the Township of Bloomfield at the rate of not less than three million gallons daily, and for the benefit of the city of Orange at the rate of not less than seven

"Seeing is Believing." And a good lamp must be simple; when it is not simple it is not good. Simple, Beautiful, Good—these words mean much, but to see "The Rochester" will impress the truth more forcibly. All metal, tough and seamless, and made in three pieces only, it is absolutely safe and umbreakable. Like Aladdin's of old, it is indeed a "wonderful lamp," for its mar-velous light is purer and brighter than gas light, softer than electric light and more cheerful than either.
